Trinity Laban Dance Science. Dancer: Erin Sanchez

OUR IMPACT

For a dancer, nothing is more precious than a healthy, injury-free body—this is crucial for an artist to flourish. Throughout my long dancing career I was supported by the ever-expanding knowledge and skills of dance health professionals, teachers, and directors. Now, as an artistic director myself, I am aware of the scientific research that lies behind these improvements in dancers' well-being, and the importance of IADMS in disseminating knowledge that will improve dancers' lives and performance now and into the future.

- **The Journal of Dance Medicine & Science**, an Electronic Quarterly Peer-Reviewed Publication
- **The IADMS Bulletin for Dancers & Teachers**
- **Resource Papers** and **Audio Files**
- **Oral History Project Podcast**
- Annual Continuing Medical Education **Conferences** and **Enduring Materials**
- **Regional Meetings**
- Global, Public **Events Calendar**
- **eLearning** and **Virtual Outreach Events** on Mental Health, Safe Dance Practice, Dance Medicine Teams, Attention in Focus Research, and More!
- **Networking Opportunities** via Social Media Groups
- **Dance for Health Ambassador** Programs
- **Student Research Awards**, **Dance Educator Awards**, **Lifetime Service Awards**
- **Mentorship Programs**
